Dear NYINC Bidder,

Among the outstanding consignments to Heritage's seventh Official Auction at the New York International Numismatic Convention is the Don Kagin Collection of Multiple Thalers. Don was kind enough to send along his thoughts on his historic collection. I found his story so compelling that it follows in its entirety:

*As a numismatic historian growing up in the industry, I became fascinated by the large and ornate European Talers some 50 years ago, when Dad (A.M. "Art" Kagin) opened a box he had just received from foreign coin dealer Hans Holzer. Pointing out a 1486 taler of Sigismund of Tyrol, he taught me about the origins of the first Talers. During my early employment with my father and uncle in the late 1960s, I was privileged to catalog many of these fascinating Talers (with some help from dealer Hans Schulman), and learned to enjoy the diversity of scenes, mottoes, and languages depicted. Beside the challenge of translating the inscriptions, I was struck by a number of coins depicting Hebrew lettering, such as the triple Talers of Saxony and Brunswick.*

*In later years, I started to collect those Talers that seemed to have the most historic importance, or were the rarest or finest. I was pleasantly surprised with how inexpensive most of these pieces were, even in high condition. To obtain a wonderfully repulsive Leopold "The Hogmouth" in Gem condition for a few hundred dollars was a thrill. What was also curious was that foreign dealers did not seem to place as much of a price premium on high quality coins as did the U.S. dealers, thereby enabling me to purchase more.*

*Without the resources to collect everything, I soon narrowed my pursuit to the scarcer multiple Talers—particularly triple-Talers and larger. Who could afford to own such large pieces 400-500 years ago? How cumbersome were they to handle? I tried to limit my purchases to those with substantial eye appeal, so I ultimately acquired a small number of exceptionally pleasing pieces over the years. I have less time to enjoy these large and elusive silver artifacts today, so I am content to let others treasure them. Who knows, when I retire in 30 years, I just may start a new collection.*

Donald H. Kagin, Ph.D.

# Heritage Auction Galleries Staff

## Steve Ivy - Co-Chairman and CEO

Steve Ivy began collecting and studying rare coins in his youth, and as a teenager in 1963 began advertising coins for sale in national publications. Seven years later, at the age of twenty, he opened Steve Ivy Rare Coins in downtown Dallas, and in 1976, Steve Ivy Numismatic Auctions was incorporated. Steve managed the business as well as serving as chief numismatist, buying and selling hundreds of millions of dollars of coins during the 1970s and early 1980s. In early 1983, James Halperin became a full partner, and the name of the corporation was changed to Heritage Rare Coin Galleries. Steve's primary responsibilities now include management of the marketing and selling efforts of the company, the formation of corporate policy for long-term growth, and corporate relations with financial institutions. He remains intimately involved in numismatics, attending all major national shows. Steve engages in daily discourse with industry leaders on all aspects of the rare coin/currency business, and his views on grading, market trends and hobby developments are respected throughout

the industry. He serves on the Board of Directors of the Professional Numismatists Guild (and was immediate past president), is the current Chairman of The Industry Council for Tangible Assets, and is a member of most leading numismatic organizations. Steve's keen appreciation of history is reflected in his active participation in other organizations, including past or present board positions on the Texas Historical Foundation and the Dallas Historical Society (where he also served as Exhibits Chairman). Steve is an avid collector of Texas books, manuscripts, and national currency, and he owns one of the largest and finest collections in private hands. He is also a past Board Chair of Dallas Challenge, and is currently the Finance Chair of the Phoenix House of Texas.

## James Halperin - Co-Chairman

Jim Halperin and the traders under his supervision have transacted billions of dollars in rare coin business, and have outsold all other numismatic firms every year for over two decades. Born in Boston in 1952, Jim attended Middlesex School in Concord from 1966 to 1970. At the age of 15, he formed a part-time rare coin business after discovering that he had a knack (along with a nearly photographic memory) for coins. Jim scored a perfect 800 on his math SATs and received early acceptance to Harvard College, but after attending three semesters, he took a permanent leave of absence to pursue his full-time numismatic career. In 1975, Jim personally supervised the protocols for the first mainframe computer system in the numismatic business, which would catapult New England Rare Coin Galleries to the top of the industry in less than four years. In 1983, Jim merged with his friend and former archrival Steve Ivy, whom Jim had long admired. Their partnership has become the world's largest and most successful numismatic company, as well as the third-largest auctioneer in America.

Jim remains arguably the best "eye" in the coin business today (he won the professional division of the PCGS World Series of Grading). In the mid-1980s, he authored "How to Grade U.S. Coins" (now posted on the web at [www.CoinGrading.com](http://www.CoinGrading.com)), a highly-acclaimed text upon which the NGC and PCGS grading standards would ultimately be based. Jim is a bit of a Renaissance man, as a well-known futurist, an active collector of EC comics and early 20th-century American art (visit [www.jhalpe.com](http://www.jhalpe.com)), venture capital investor, philanthropist (he endows a multimillion-dollar health education foundation), and part-time novelist. His first fictional novel, "The Truth Machine," was published in 1996 and became an international science fiction bestseller, and was optioned for movie development by Warner Brothers. Jim's second novel, "The First Immortal," was published in early 1998 and immediately optioned as a Hallmark Hall of Fame television miniseries. Jim is married to Gayle Ziaks, and they have two sons, David and Michael. In 1996, with funding from Jim and Gayle's foundation, Gayle founded Dallas' Dance for the Planet, which has grown to become the largest free dance festival in the world.

## Greg Rohan - President

At the age of eight, Greg Rohan started collecting coins as well as buying them for resale to his schoolmates. By 1971, at the age of ten, he was already buying and selling coins from a dealer's table at trade shows in his hometown of Seattle. His business grew rapidly, and by 1985 he had offices in both Seattle and Minneapolis. He joined Heritage in 1987 as Executive Vice-President and Manager of the firm's rare coin business. Today, as an owner and as President of Heritage, his responsibilities include overseeing the firm's private client group and working with top collectors in every field in which Heritage is active. Greg has been involved with many of the rarest items and most important collections handled by the firm, including the purchase and/or sale of the Ed Trompeter Collection (the world's largest numismatic purchase according to the Guinness Book of World Records), the legendary 1894 San Francisco Dime, the 1838 New Orleans Half Dollar, and the 1804 Silver Dollar. During his career, Greg has handled more than \$1 billion of rare coins, collectibles and art, and

provided expert consultation concerning the authenticity and grade condition of coins for the Professional Coin Grading Service (PCGS). He has provided expert testimony for the United States Attorneys in San Francisco, Dallas, and Philadelphia, and for the Federal Trade Commission (FTC). He has worked with collectors, consignors, and their advisors regarding significant collections of books, manuscripts, comics, currency, jewelry, vintage movie posters, sports and entertainment memorabilia, decorative arts, and fine art. Additionally, Greg is a Sage Society member of the American Numismatic Society, and a member/life member of the PNG, ANA, and most other leading numismatic organizations. Greg is also Chapter Chairman for North Texas of the Young Presidents' Organization (YPO), and is an active supporter of the arts. Greg co-authored "The Collectors Estate Handbook," winner of the NLC's Robert Friedberg Award for numismatic book of the year. Mr. Rohan currently serves on the seven-person Advisory Board to the Federal Reserve Bank of Dallas, in his second appointed term. He and his wife, Lysa, are avid collectors of rare wine, Native American artifacts, and American art.

## Paul Minshull - Chief Operating Officer

As Chief Operating Officer, Paul Minshull's managerial responsibilities include integrating sales, personnel, inventory, security and MIS for Heritage. His major accomplishments include overseeing the hardware migration from mainframe to PC, the software migration of all inventory and sales systems, and implementation of a major Internet presence. Heritage's successful employee-suggestion program has generated 200 or more ideas each month since 1995, and has helped increase employee productivity, expand business, and improve employee retention. Paul oversees the company's highly-regarded IT department, and has been the driving force behind Heritage's web development, now a significant portion of Heritage's future plans. As the only numismatic auction house that combines traditional floor bidding with active Internet bidding, the totally interactive system has catapulted Heritage to the top rare coin website (according to Forbes Magazine's "Best of the Web"). Paul was born in Michigan and came to Heritage in 1984 after 12 years as the General Manager of a plastics manufacturing company in Ann Arbor. Since 1987, he has been a general partner in Heritage Capital Properties, Sales Manager, Vice President of Operations, and Chief Operating Officer for all Heritage companies and affiliates since 1996. Paul maintains an active interest in sports and physical fitness, and he and his wife have three children.

### Todd Imhof - Vice President

Todd Imhof did not start collecting coins in his teens, unlike most professional numismatists. Shortly after graduating college, Todd declined an offer from a prestigious Wall Street bank to join a former high school classmate in his small rare coin firm in the Seattle area. In the mid-1980s, the rare coin industry was rapidly changing, with the advent of third-party grading and growing computer technologies; as a newcomer, Todd more easily embraced these new dynamics. He soon discovered a personal passion for rare coins, and for working with high-level collectors; in 1991, he co-founded Pinnacle Rarities, a firm specialized in servicing the savviest and most prominent collectors in numismatics. At 25, he was accepted into the PNG, and currently serves on its Consumer Protection Committee and its Legislation/Taxation Issues Committee. In 1992, he was invited to join the Board of Directors for the Industry Council for Tangible Assets, later serving as its Chairman (2002-2005).

Todd enjoys a reputation that is envied by the entire numismatic community, and his relationship with Heritage's most prominent clients, who seek his expertise and integrity, has only strengthened over the years. Clients and colleagues are impressed by his ability to navigate complex deals with unsurpassed professionalism. By understanding what each collector is trying to accomplish, Todd has the uncanny ability to identify the perfect coins at the right prices. In the famous Phillip Morse Auction, he became the only person in history to purchase two separate \$1mm+ coins during a single auction session! Todd is an avid competitive sailor, and collector of fine wines and Olympic medals. He and his wife have two sons and a daughter.

### Leo Frese - Vice President

Leo has been involved in numismatics for nearly 40 years, a professional numismatist since 1971, and has been with Heritage for over 20 years. He literally worked his way up the Heritage "ladder" through dedication, hard work, and a belief that the client is the most important asset Heritage has. He worked with Bob Merrill for nearly 15 years and now is the Director of Consignments. Leo has been actively involved in assisting clients sell nearly \$500,000,000 in numismatic material. Leo was recently accepted as a member of PNG, is a life member of the ANA, and holds membership in FUN, CSNS, and other numismatic organizations. He believes education is the foremost building block in numismatics. Leo encourages all collectors to broaden their horizons, be actively involved in the hobby, and donate freely to YN organizations. Leo's interests include collecting Minnesota pottery and elegant Depression glass. Although travel is an important element of his job, he relishes time with his wife Wendy, children Alicen and Adam, and son-in-law Jeff.

### Jim Stoutjesdyk - Vice President

## Warren Tucker- Director of World Coin Auctions

Heritage Numismatic Auctions is pleased to announce the addition of well-known numismatist Warren Tucker to their staff. Warren has been a full-time dealer in coins since 1964, the last two decades devoted almost exclusively to world coins. According to Tucker, "I'm thrilled to be working once again with Steve Ivy and the other fine numismatists at Heritage, back in the center of the coin auction universe. Just a few of the advantages of working for the world's largest rare coin dealer and auctioneer are the amazing material that crosses your desk, and the great collections that you get to inspect while visiting consignors. For us coin lovers, it just doesn't get any better."

Warren became interested in coins at an early age, with his first purchase from B. Max Mehl's Rare Coin Encyclopedia in 1947. He was also encouraged by a cousin who was a bank teller during the late '40s and early '50s, "at a time when it was not unusual for commemorative half dollars, Indian cents, Seated coins, and even an occasional Bust issue to cross the bank counter. At Georgia Tech, Warren was a member of Delta Sigma Phi fraternity, along with fraternity brother John Hamrick. To his first coin shop in Atlanta came customers with such interesting items as bags of Ptolemaic bronzes, and a hoard of BU Colombian 8 and 10 reales. According to Warren, "These 2 purchases sparked a passionate interest in world coins that continues today." In 1968, Warren joined Jack Boozer and Doug Weaver in business in Waco, Texas, where he first met Steve Ivy. Warren later moved back to Georgia, where he ultimately became a partner with John Hamrick at WorldWide Coin Investments of Atlanta. "World-Wide was one of the largest coin companies in the world at the time, and purchased such rarities as an 1894-S dime from Jerry Cohen, the Hydeman 1913 Liberty nickel (for \$100,000), the Idler 1804 dollar (\$80,000) from Abe Kosoff, an 1838-O half dollar, and an 1876-CC twenty cent piece. We exhibited these coins at numerous coin shows and the 1913 nickel was featured in an episode of Hawaii 5-O entitled The \$100,000 Nickel." During the 1970s, Warren began more extensive travel throughout Europe and Asia to buy coins. In 1979, he first joined forces with Steve Ivy, opening an office in Atlanta. Associations with Richard Nelson and Ronald J. Gillio followed thereafter. After more than a decade in business for himself, Warren has once more joined forces with Heritage.

## Cristiano Bierrenbach - Director of International Sales

Cristiano Bierrenbach was born in Rio de Janeiro, Brazil and has been a coin collector since the age of 9 after finding a little box with his grandfather's coins. He has lived in Sao Paulo, Madrid and attended Bucknell University in Pennsylvania where he received a degree in management in 1996. In 1999, Cristiano left the insurance/banking industry to pursue numismatics as a full time job. He founded Bier Numismatica and within a few years had become one of the largest numismatic dealers in Latin America. At the age of 30, Cristiano became the youngest ever Technical Director of the Brazilian Numismatic Society, overseeing all aspects of their quarterly auctions. Cristiano is also the founder of the Latin American Numismatic Convention, the largest coin show in the region. His fields of expertise range from all coins from Latin America to Portuguese, Spanish and German. Cristiano is a life member of the ANA and FUN and several other numismatic clubs and organizations around the world. He and his wife Susan have 2 girls and are thrilled to be moving back to the US after 12 years.

## Scott Cordry - Assistant Director of World Coin Auctions

Scott Cordry has been collecting coins since he was a lad of 10, in 1959. Like many other numismatists, he started with a Redbook and a few of the blue Whitman Cent, Nickel and Dime folders. When the American coins that he needed got too expensive ("that is, when they were more than face value"), Scott began to collect world coins. His first interest was in Swedish coins, engendered by a visiting semi-athletic team that passed through San Diego. He eventually moved on to Islamic coins, just to have an area of interest guaranteed to have less competition for buying, and that presented serious intellectual challenges. After graduating from high school in 1967, Scott studied History at Cal-Berkeley for four years. He spent his junior year at the University of Lund in Sweden, studying History, Scandinavian Languages, and semi-athletic teams. He graduated from UC Berkeley with "great distinction" and Phi Beta Kappa honors. After college, he worked for Worldwide Coins in Atlanta for a few months before going into business for himself, and then in partnership with Freeman Craig. In 1975, Scott again decided to pursue world coins independently, and he has been in the foreign coin business ever since. Scott is a member of the ANA, NI, AINA, ONS and IBNS, and has been a member of the IAPN as well, from 1979-1993. In addition to his private sales, Scott has been cataloging world coins for Heritage World Coin Auctions since October of 2002.

He is responsible for the security of all of Heritage's coin and currency consignments, both at the Dallas world headquarters and at shows. His department also coordinates the photography, scanning, and cataloging of coins for upcoming auctions; coordination of auction planning; security and transportation logistics, and lot-view and auction prep. If you have attended a live Heritage coin auction, you are familiar with Ron's excellent work. Ron and his wife, Denice, have two teen-aged sons, and the family passion is riding dirt bikes.

The Auction is conducted under these Terms and Conditions of Auction and applicable state and local law. Announcements and corrections from the podium and those made through the Terms and Conditions of Auctions appearing on the Internet at HA.com supersede those in the printed catalog.

## Buyer's Premium:

2. On bids placed through Auctioneer, a Buyer's Premium of fifteen percent (15%) will be added to the successful hammer price bid on lots in Coin and Currency auctions, or nineteen and one-half percent (19.5%) on lots in all other auctions. There is a minimum Buyer's Premium of \$9.00 per lot. In Gallery Auctions (sealed bid auctions of mostly bulk numismatic material), the Buyer's Premium is 19.5%.

## Auction Venues:

3. The following Auctions are conducted solely on the Internet: Heritage Weekly Internet Auctions (Coin, Currency, Comics, and Vintage Movie Poster); Heritage Monthly Internet Auctions (Sports, and Stamps). Signature® Auctions and Grand Format Auctions accept bids from the Internet, telephone, fax, or mail first, followed by a floor bidding session; Heritage Live and real-time telephone bidding are available to registered clients during these auctions.

## Bidders:

4. Any person participating or registering for the Auction agrees to be bound by and accepts these Terms and Conditions of Auction ("Bidder(s)").
5. All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a client in good standing of the Auctioneer may be disqualified at Auctioneer's sole option and will not be awarded lots. Such determination may be made by Auctioneer in its sole and unlimited discretion, at any time prior to, during, or even after the close of the Auction. Auctioneer reserves the right to exclude any person from the auction.
6. If an entity places a bid, then the person executing the bid on behalf of the entity agrees to personally guarantee payment for any successful bid.

## Credit:

7. Bidders who have not established credit with the Auctioneer must either furnish satisfactory credit information (including two collectibles-related business references) well in advance of the Auction or supply valid credit card information. Bids placed through our Interactive Internet program will only be accepted from pre-registered Bidders; Bidders who are not members of HA.com or affiliates should pre-register at least 48 hours before the start of the first session (exclusive of holidays or weekends) to allow adequate time to contact references. Credit may be granted at the discretion of Auctioneer. Additionally Bidders who have not previously established credit or who wish to bid in excess of their established credit history may be required to provide their social security number or the last four digits thereof to us so a credit check may be performed prior to Auctioneer's acceptance of a bid.

## Bidding Options:

8. Bids in Signature® Auctions or Grand Format Auctions may be placed as set forth in the printed catalog section entitled "Choose your bidding method." For auctions held solely on the Internet, see the alternatives on HA.com. Review at HA.com/common/howtobid.php.
9. Presentment of Bids: Non-Internet bids (including but not limited to podium, fax, phone and mail bids) are treated similar to floor bids in that they must be on-increment or at a half increment (called a cut bid). Any podium, fax, phone, or mail bids that do not conform to a full or half increment will be rounded up or down to the nearest full or half increment and this revised amount will be considered your high bid.
10. Auctioneer's Execution of Certain Bids. Auctioneer cannot be responsible for your errors in bidding, so carefully check that every bid is entered correctly. When identical mail or FAX bids are submitted, preference is given to the first received. To ensure the greatest accuracy, your written bids should be entered on the standard printed bid sheet and be received at Auctioneer's place of business at least two business days before the Auction start. Auctioneer is not responsible for executing mail bids or FAX bids received on or after the day the first lot is sold, nor Internet bids submitted after the published closing time; nor is Auctioneer responsible for proper execution of bids submitted by telephone, mail, FAX, e-mail, Internet, or in person once the Auction begins. Internet bids may not be withdrawn until your written request is received and acknowledged by Auctioneer (FAX: 214-4438425); such requests must state the reason, and may constitute grounds for withdrawal of bidding privileges. Lots won by mail Bidders will not be delivered at the Auction unless prearranged.
11. Caveat as to Bid Increments. Bid increments (over the current bid level) determine the lowest amount you may bid on a particular lot. Bids greater than one increment over the current bid can be any whole dollar amount. It is possible under several circumstances for winning bids to be between increments, sometimes only \$1 above the previous increment. Please see: "How can I lose by less than an increment?" on our website. Bids will be accepted in whole dollar amounts only. No "buy" or "unlimited" bids will be accepted.

The following chart governs current bidding increments.

12. If Auctioneer calls for a full increment, a bidder may request Auctioneer to accept a bid at half of the increment ("Cut Bid") only once per lot. After offering a Cut Bid, bidders may continue to participate only at full increments. Off-increment bids may be accepted by the Auctioneer at Signature® Auctions and Grand Format Auctions. If the Auctioneer solicits bids other than the expected increment, these bids will not be considered Cut Bids.

## Conducting the Auction:

13. Notice of the consignor's liberty to place bids on his lots in the Auction is hereby made in accordance with Article 2 of the Texas Business and Commercial Code. A "Minimum Bid" is an amount below which the lot will not sell. THE CONSIGNOR OF PROPERTY MAY PLACE WRITTEN "Minimum Bids" ON HIS LOTS IN ADVANCE OF THE AUCTION; ON SUCH LOTS, IF THE HAMMER PRICE DOES NOT MEET THE "Minimum Bid", THE CONSIGNOR MAY PAY A REDUCED COMMISSION ON THOSE LOTS. "Minimum Bids" are generally posted online several days prior to the Auction closing. For any successful bid placed by a consignor on his Property on the Auction floor, or by any means during the live session, or after the "Minimum Bid" for an Auction have been posted, we will require the consignor to pay full Buyer's Premium and Seller's Commissions on such lot.
14. The highest qualified Bidder recognized by the Auctioneer shall be the buyer. In the event of any dispute between any Bidders at an Auction, Auctioneer may at his sole discretion reoffer the lot. Auctioneer's decision and declaration of the winning Bidder shall be final and binding upon all Bidders. Bids properly offered, whether by floor Bidder or other means of bidding, may on occasion be missed or go unrecognized; in such cases, the Auctioneer may declare the recognized bid accepted as the winning bid, regardless of whether a competing bid may have been higher.
15. Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid, in its sole discretion. A bid is considered not made in "Good Faith" when made by an insolvent or irresponsible person, a person under the age of eighteen, or is not supported by satisfactory credit, collectibles references, or otherwise. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in "Good Faith." Any person apparently appearing on the OFAC list is not eligible to bid.
16. Nominal Bids. The Auctioneer in its sole discretion may reject nominal bids, small opening bids, or very nominal advances. If a lot bearing estimates fails to open for 40-60% of the low estimate, the Auctioneer may pass the item or may place a protective bid on behalf of the consignor.
17. Lots bearing bidding estimates shall open at Auctioneer's discretion (approximately 50% of the low estimate). In the event that no bid meets or exceeds that opening amount, the lot shall pass as unsold.
18. All items are to be purchased per lot as numerically indicated and no lots will be broken. Auctioneer reserves the right to withdraw, prior to the close, any lots from the Auction.
19. Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, auctioneer's clerical error or omission in exercising bids and reserves, or for any other reason and in Auctioneer's sole discretion. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) and any other damages or expenses pertaining to the lot.
20. Auctioneer occasionally experiences Internet and/or Server service outages, and Auctioneer periodically schedules system downtime for maintenance and other purposes, during which Bidders cannot participate or place bids. If such outages occur, we may at our discretion extend bidding for the Auction. Bidders unable to place their Bids through the Internet are directed to contact Client Services at 1-800-872-6467.
21. The Auctioneer or its affiliates may consign items to be sold in the Auction, and may bid on those lots or any other lots. Auctioneer or affiliates expressly reserve the right to modify any such bids at any time prior to the hammer based upon data made known to the Auctioneer or its affiliates. The Auctioneer may extend advances, guarantees, or loans to certain consignors, and may extend financing or other credits at varying rates to certain Bidders in the auction.
22. The Auctioneer has the right to sell certain unsold items after the close of the Auction. Such lots shall be considered sold during the Auction and all these Terms and Conditions shall apply to such sales including but not limited to the Buyer's Premium, return rights, and disclaimers.

## Payment:

23. All sales are strictly for cash in United States dollars (including U.S. currency, bank wire, cashier checks, travelers checks, eChecks, and bank money orders, all subject to reporting requirements). All are subject to clearing and funds being received in Auctioneer's account before delivery of the purchases. Auctioneer reserves the right to determine if a check constitutes "good funds" when drawn on a U.S. bank for ten days, and thirty days when drawn on an international bank. Credit Card (Visa or Master Card only) and PayPal payments may be accepted up to \$10,000 from non-dealers at the sole discretion of the Auctioneer, subject to the following limitations: a) sales are only to the cardholder, b) purchases are shipped to the cardholder's registered and verified address, c) Auctioneer may pre-approve the cardholder's credit line, d) a credit card transaction may not be used in conjunction with any other financing or extended terms offered by the Auctioneer, and must transact immediately upon invoice presentation, e) rights of return are governed by these Terms and Conditions, which supersede those conditions promulgated by the card issuer, f) floor Bidders must present their card.
24. Payment is due upon closing of the Auction session, or upon presentment of an invoice. Auctioneer reserves the right to void an invoice if payment in full is not received within 7 days after the close of the Auction. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) on the lot and any other damages pertaining to the lot.
25. Lots delivered in the States of Texas, California, or other states where the Auction may be held, are subject to all applicable state and local taxes, unless appropriate permits are on file with Auctioneer. Bidder agrees to pay Auctioneer the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by Auctioneer five days prior to Auction or tax must be paid; only if such form or certificate is received by Auctioneer within 4 days after the Auction can a refund of tax paid be made. Lots from different Auctions may not be aggregated for sales tax purposes.
26. In the event that a Bidder's payment is dishonored upon presentment(s), Bidder shall pay the maximum statutory processing fee set by applicable state law. If you attempt to pay via eCheck and your financial institution denies this transfer from your bank account, or the payment cannot be completed using the selected funding source, you agree to complete payment using your credit card on file.
27. If any Auction invoice submitted by Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. If the Auctioneer refers any invoice to an attorney for collection, the buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.

# Terms and Conditions of Auction

28. In the event a successful Bidder fails to pay any amounts due, Auctioneer reserves the right to sell the lot(s) securing the invoice to any underbidders in the Auction that the lot(s) appeared, or at subsequent private or public sale, or relist the lot(s) in a future auction conducted by Auctioneer. A defaulting Bidder agrees to pay for the reasonable costs of resale (including a 10% seller's commission, if consigned to an auction conducted by Auctioneer). The defaulting Bidder is liable to pay any difference between his total original invoice for the lot(s), plus any applicable interest, and the net proceeds for the lot(s) if sold at private sale or the subsequent hammer price of the lot(s) less the 10% seller's commissions, if sold at an Auctioneer's auction.
29. Auctioneer reserves the right to require payment in full in good funds before delivery of the merchandise.
30. Auctioneer shall have a lien against the merchandise purchased by the buyer to secure payment of the Auction invoice. Auctioneer is further granted a lien and the right to retain possession of any other property of the buyer then held by the Auctioneer or its affiliates to secure payment of any Auction invoice or any other amounts due the Auctioneer or affiliates from the buyer. With respect to these lien rights, Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code, including but not limited to the right of sale. In addition, with respect to payment of the Auction invoice(s), the buyer waives any and all rights of offset he might otherwise have against the Auctioneer and the consignor of the merchandise included on the invoice. If a Bidder owes Auctioneer or its affiliates on any account, Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Bidder, and it may secure by possessory lien any unpaid amount by any of the Bidder's property in their possession.
31. Title shall not pass to the successful Bidder until all invoices are paid in full. It is the responsibility of the buyer to provide adequate insurance coverage for the items once they have been delivered to a common carrier or third-party shipper.

## Delivery; Shipping; and Handling Charges:

32. Buyer is liable for shipping and handling. Please refer to Auctioneer's website [www.HA.com/common/shipping.php](http://www.HA.com/common/shipping.php) for the latest charges or call Auctioneer. Auctioneer is unable to combine purchases from other auctions or affiliates into one package for shipping purposes. Lots won will be shipped in a commercially reasonable time after payment in good funds for the merchandise and the shipping fees is received or credit extended, except when third-party shipment occurs.
33. Successful international Bidders shall provide written shipping instructions, including specified customs declarations, to the Auctioneer for any lots to be delivered outside of the United States. NOTE: Declaration value shall be the item(s) hammer price together with its buyer's premium and Auctioneer shall use the correct harmonized code for the lot. Domestic Buyers on lots designated for third-party shipment must designate the common carrier, accept risk of loss, and prepay shipping costs.
34. All shipping charges will be borne by the successful Bidder. Any risk of loss during shipment will be borne by the buyer following Auctioneer's delivery to the designated common carrier or third-party shipper, regardless of domestic or foreign shipment.
35. Due to the nature of some items sold, it shall be the responsibility for the successful bidder to arrange pick-up and shipping through third-parties; as to such items Auctioneer shall have no liability. Failure to pick-up or arrange shipping in a timely fashion (within ten days) shall subject Lots to storage and moving charges, including a \$100 administration fee plus \$10 daily storage for larger items and \$5.00 daily for smaller items (storage fee per item) after 35 days. In the event the Lot is not removed within ninety days, the Lot may be offered for sale to recover any past due storage or moving fees, including a 10% Seller's Commission.
36. The laws of various countries regulate the import or export of certain plant and animal properties, including (but not limited to) items made of (or including) ivory, whalebone, tortoise shell, coral, crocodile, or other wildlife. Transport of such lots may require special licenses for export, import, or both. Bidder is responsible for: 1) obtaining all information on such restricted items for both export and import; 2) obtaining all such licenses and/or permits. Delay or failure to obtain any such license or permit does not relieve the buyer of timely compliance with standard payment terms. For further information, please contact Bill Taylor at 800-872-6467 ext. 1280.
37. Any request for shipping verification for undelivered packages must be made within 30 days of shipment by Auctioneer.

## Cataloging, Warranties and Disclaimers:

38. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION OR ANY SECOND OPINE. Any description of the items or second opine contained in this Auction is for the sole purpose of identifying the items for those Bidders who do not have the opportunity to view the lots prior to bidding, and no description of items has been made part of the basis of the bargain or has created any express warranty that the goods would conform to any description made by Auctioneer. Color variations can be expected in any electronic or printed imaging, and are not grounds for the return of any lot.
39. Auctioneer is selling only such right or title to the items being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the Property. Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes. All images, descriptions, sales data, and archival records are the exclusive property of Auctioneer, and may be used by Auctioneer for advertising, promotion, archival records, and any other uses deemed appropriate.
40. Translations of foreign language documents may be provided as a convenience to interested parties. Auctioneer makes no representation as to the accuracy of those translations and will not be held responsible for errors in bidding arising from inaccuracies in translation.
41. Auctioneer disclaims all liability for damages, consequential or otherwise, arising out of or in connection with the sale of any Property by Auctioneer to Bidder. No third party may rely on any benefit of these Terms and Conditions and any rights, if any, established hereunder are personal to the Bidder and may not be assigned. Any statement made by the Auctioneer is an opinion and does not constitute a warranty or representation. No employee of Auctioneer may alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any such alteration is null and void.
42. Auctioneer shall not be liable for breakage of glass or damage to frames (patent or latent); such defects, in any event, shall not be a basis for any claim for return or reduction in purchase price.

## Release:

43. In consideration of participation in the Auction and the placing of a bid, Bidder expressly releases Auctioneer, its officers, directors and employees, its affiliates, and its outside experts that provide second opines, from any and all claims, cause of action, chose of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned description, or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise. In the event of a claim, Bidder agrees that such rights and privileges conferred therein are strictly construed as specifically declared herein; e.g., authenticity, typographical error, etc. and are the exclusive remedy. Bidder, by non-compliance to these express terms of a granted remedy, shall waive any claim against Auctioneer.

44. Notice: Some Property sold by Auctioneer are inherently dangerous e.g. firearms, cannons, and small items that may be swallowed or ingested or may have latent defects all of which may cause harm to a person. Purchaser accepts all risk of loss or damage from its purchase of these items and Auctioneer disclaims any liability whether under contract or tort for damages and losses, direct or inconsequential, and expressly disclaims any warranty as to safety or usage of any lot sold.

## Dispute Resolution and Arbitration Provision:

45. By placing a bid or otherwise participating in the auction, Bidder accepts these Terms and Conditions of Auction, and specifically agrees to the alternative dispute resolution provided herein. Arbitration replaces the right to go to court, including the right to a jury trial.
46. Auctioneer in no event shall be responsible for consequential damages, incidental damages, compensatory damages, or any other damages arising or claimed to be arising from the auction of any lot. In the event that Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, or other transfer or condition issue is claimed, In such cases the sole remedy shall be limited to rescission of sale and refund of the amount paid by Bidder; in no case shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. After one year has elapsed, Auctioneer's maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot.
47. In the event of an attribution error, Auctioneer may at its sole discretion, correct the error on the Internet, or, if discovered at a later date, to refund the buyer's purchase price without further obligation.
48. Arbitration Clause: All controversies or claims under this Agreement or arising from or pertaining to: this Agreement or related documents, or to the Properties consigned hereunder, or the enforcement or interpretation hereof of this or any related agreements, or damage to Properties, payment, or any other matter, or because of an alleged breach, default or misrepresentation under the provisions hereof or otherwise, that cannot be settled amicably within one (1) month from the date of notification of either party to the other of such dispute or question, which notice shall specify the details of such dispute or question, shall be settled by final and binding arbitration by one arbitrator appointed by the American Arbitration Association ("AAA"). The arbitration shall be conducted in Dallas, Dallas County, Texas in accordance with the then existing Commercial Arbitration Rules of the AAA. The arbitration shall be brought within two (2) years of the alleged breach, default or misrepresentation or the claim is waived. The prevailing party (a party that is awarded substantial and material relief on its claim or defense) may be awarded its reasonable attorney's fees and costs. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof; provided, however, that the law applicable to any controversy shall be the law of the State of Texas, regardless of its or any other jurisdiction's choice of law principles and under the provisions of the Federal Arbitration Act.
49. No claims of any kind can be considered after the settlements have been made with the consignors. Any dispute after the settlement date is strictly between the Bidder and consignor without involvement or responsibility of the Auctioneer.
50. In consideration of their participation in or application for the Auction, a person or entity (whether the successful Bidder, a Bidder, a purchaser and/or other Auction participant or registrant) agrees that all disputes in any way relating to, arising under, connected with, or incidental to these Terms and Conditions and purchases, or default in payment thereof, shall be arbitrated pursuant to the arbitration provision. In the event that any matter including actions to compel arbitration, construe the agreement, actions in aid or arbitration or otherwise needs to be litigated, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. For such actions, the successful Bidder, purchaser, or Auction participant also expressly submits himself to the personal jurisdiction of the State of Texas.
51. These Terms & Conditions provide specific remedies for occurrences in the auction and delivery process. Where such remedies are afforded, they shall be interpreted strictly. Bidder agrees that any claim shall utilize such remedies; Bidder making a claim in excess of those remedies provided in these Terms and Conditions agrees that in no case whatsoever shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot.

## Miscellaneous:

52. Agreements between Bidders and consignors to effectuate a non-sale of an item at Auction, inhibit bidding on a consigned item to enter into a private sale agreement for said item, or to utilize the Auctioneer's Auction to obtain sales for non-selling consigned items subsequent to the Auction, are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the applicable Buyer's Premium and consignor a Seller's Commission as determined for each auction venue and by the terms of the seller's agreement.
53. Acceptance of these Terms and Conditions qualifies Bidder as a client who has consented to be contacted by Heritage in the future. In conformity with "do-not-call" regulations promulgated by the Federal or State regulatory agencies, participation by the Bidder is affirmative consent to being contacted at the phone number shown in his application and this consent shall remain in effect until it is revoked in writing. Heritage may from time to time contact Bidder concerning sale, purchase, and auction opportunities available through Heritage and its affiliates and subsidiaries.
54. Rules of Construction: Auctioneer presents properties in a number of collectible fields, and as such, specific venues have promulgated supplemental Terms and Conditions. Nothing herein shall be construed to waive the general Terms and Conditions of Auction by these additional rules and shall be construed to give force and effect to the rules in their entirety.

# Terms and Conditions of Auction

## Additional Terms & Conditions: COINS & CURRENCY

**COINS and CURRENCY TERM A:** Signature. Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackemyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. **AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY.** Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

**COINS and CURRENCY TERM B:** Auctions conducted solely on the Internet **THREE (3) DAY RETURN POLICY:** Certified Coin and Uncertified and Certified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege. You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Client Service by phone (1-800-872-6467) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the attention of Returns, Heritage, 3500 Maple Avenue, 17th Floor, Dallas TX 75219-3941. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price (\$10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

**COINS and CURRENCY TERM C:** Bidders who have inspected the lots prior to any Auction, or attended the Auction, or bid through an Agent, will not be granted any return privileges, except for reasons of authenticity.

**COINS and CURRENCY TERM D:** Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230; Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658; ANACS, 6555 S. Kenton St. Ste. 303, Englewood, CO 80111; and Independent Coin Grading Co. (ICG), 7901 East Belleview Ave., Suite 50, Englewood, CO 80111.

**COINS and CURRENCY TERM E:** Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency, PMG, and CGA may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), PO Box 4711, Sarasota FL 34230; PCGS Currency, PO Box 9458, Newport Beach, CA 92658; Currency Grading & Authentication (CGA), PO Box 418, Three Bridges, NJ 08887. Third party graded notes are not returnable for any reason whatsoever.

**COINS and CURRENCY TERM F:** Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

**COINS and CURRENCY TERM G:** Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reconsigned to any future auction.

**COINS and CURRENCY TERM H:** Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

**COINS and CURRENCY TERM I:** Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

**COINS and CURRENCY TERM J:** All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the non-certified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

**COINS and CURRENCY TERM K:** Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

**COINS and CURRENCY TERM L:** Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

**COINS and CURRENCY TERM M:** NOTE: Purchasers of rare coins or currency through Heritage have available the option of arbitration by the Professional Numismatists Guild (PNG); if an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration.

**COINS and CURRENCY TERM N:** For more information regarding Canadian lots attributed to the Charlton reference guides, please contact: Charlton International, PO Box 820, Station Willowdale B, North York, Ontario M2K 2R1 Canada.

**Heritage's exclusive Interactive Internet™ system is fun and easy! Before you start, you must register online at HA.com and obtain your Username and Password.**

1. Login to the HA.com website, using your Username and Password.
2. Choose the specialty you're interested in at the top of the homepage (i.e. coins, currency, comics, movie posters, fine art, etc.).
3. Search or browse for the lots that interest you. Every auction has search features and a 'drop-down' menu list.
4. Select a lot by clicking on the link or the photo icon. Read the description, and view the full-color photography. Note that clicking on the image will enlarge the photo with amazing detail.
5. View the current opening bid. Below the lot description, note the historic pricing information to help you establish price levels. Clicking on a link will take you directly to our Permanent Auction Archives for more information and images.
6. If the current price is within your range, Bid! At the top of the lot page is a box containing the Current Bid and an entry box for your "Secret Maximum Bid" – the maximum amount you are willing to pay for the item before the Buyer's Premium is added. Click the button marked "Place Bid" (if you are not logged in, a login box will open first so you can enter your username (or e-mail address) and password).
7. After you are satisfied that all the information is correct, confirm your "Secret Maximum Bid" by clicking on the "Confirm Absentee Bid" button. You will receive immediate notification letting you know if you are now the top bidder, or if another bidder had previously bid higher than your amount. If you bid your maximum amount and someone has already bid higher, you will immediately know so you can concentrate on other lots.
8. Before the auction, if another bidder surpasses your "Secret Maximum Bid", you will be notified automatically by e-mail containing a link to review the lot and possibly bid higher.
9. Interactive Internet™ bidding closes at 10 P.M. Central Time the night before the session is offered in a floor event. Interactive Internet™ bidding closes two hours before live sessions where there is no floor bidding.
10. The Interactive Internet™ system generally opens the lot at the next increment above the second highest bid. As the high bidder, your "Secret Maximum Bid" will compete for you during the floor auction. Of course, it is possible in a Signature® or Grand Format live auction that you may be outbid on the floor or by a Heritage Live bidder after Internet bidding closes. Bid early, as the earliest bid wins in the event of a tie bid. For more information about bidding and bid increments, please see the section labeled "Bidding Increments" elsewhere in this catalog.
11. After the auction, you will be notified of your success. It's that easy!

Auction #1110, Lot #1068:  
Barber Half Dollars: 1911-D 50C MS65 NGC...  
Note: The current bid is less than your secret maximum bid. The current bid may rise as other bidders increase their bids in an attempt to win the lot. Many times, you will win the lot for well below your maximum bid.  
Can I still be outbid? You are currently the high bidder, but this does not guarantee that someone else may not outbid you before the auction closes. Our system will place bids on your behalf, using only as much of (but not more than) your secret maximum as is necessary to maintain your high bid position. If another bidder places a higher secret maximum than yours, you will be notified via e-mail that you have been outbid. There are two ways to monitor your bid...  
• Use My Bids: You can easily reference every bid you have placed and monitor your bid status on every lot. You can also batch bid on every item with a single click from the MyBids page.  
• If you are outbid, we will e-mail you an outbid notice.

## CHOOSE YOUR BIDDING METHOD, (CONT'D.)

### 2 HERITAGE Live!™ Bidding (participate in the Live auction via the Internet)

1. Look on each auction's homepage to verify whether that auction is "HA.com/Live Enabled." All Signature® and Grand Format auctions use the HERITAGE Live!™ system, and many feature live audio and/or video. Determine your lots of interest and maximum bids.
2. Note on the auction's homepage the session dates and times (and especially time zones!) so you can plan your participation. You actually have two methods of using HERITAGE Live!™: a) you can leave a proxy bid through this system, much like the Interactive Internet™ (we recommend you do this before the session starts), or b) you can sit in front of your computer much as the audience is sitting in the auction room during the actual auction.
3. Login at HA.com/Live.
4. Until you become experienced (and this happens quickly!) you will want to login well before your lot comes up so you can watch the activity on other lots. It is as intuitive as participating in a live auction.
5. When your lot hits the auction block, you can continue to bid live against the floor and other live bidders by simply clicking the "Bid" button; the amount you are bidding is clearly displayed on the console.

### 3 Mail Bidding

(deposit your maximum Bid with the U.S.P.S. well before the auction starts)

**Mail bidding at auction is fun and easy, but by eliminating the interactivity of our online systems, some of your bids may be outbid before you lick the stamp, and you will have no idea of your overall chances until the auction is over!**

1. Look through the printed catalog, and determine your lots of interest.
2. Research their market value by checking price lists and other price guidelines.
3. Fill out your bid sheet, entering your maximum bid on each lot. Bid using whole dollar amounts only. Verify your bids, because you are responsible for any errors you make! Please consult the Bidding Increments chart in the Terms & Conditions.
4. Please fill out your bid sheet completely! We also need: a) Your name and complete address for mailing invoices and lots; b) Your telephone number if any problems or changes arise; c) Your references; if you have not established credit with Heritage, you must send a 25% deposit, or list dealers with whom you have credit established; d) Total your bid sheet; add up all bids and list that total in the box; e) Sign your bid sheet, thereby agreeing to abide by the Terms & Conditions of Auction printed in the catalog.
5. Mail early, because preference is given to the first bid received in case of a tie.
6. When bidding by mail, you frequently purchase items at less than your maximum bid. Bidding generally opens at the next published increment above the second highest mail or Internet bid previously received; if additional floor, phone, or HERITAGE Live!™ bids are made, we act as your agent, bidding in increments over any additional bid until you win the lot or are outbid. For example, if you submitted a bid of \$750, and the second highest bid was \$375, bidding would start at \$400; if no other bids were placed, you would purchase the lot for \$400.
7. You can also Fax your Bid Sheet if time is short. Use our exclusive Fax Hotline: 214-443-8425.

Take  
4  
Months to Pay...

Heritage will  
Finance Your  
Purchase

We're collectors too, and we understand that on occasion there is more to buy than there is cash. Consider Heritage's Extended Payment Plan [EPP] for your purchases totaling \$2,500 or more.

#### Extended Payment Plan [EPP] Conditions

- Minimum invoice total is \$2,500.
- Minimum Down Payment is 25% of the total invoice.
- A signed and returned EPP Agreement is required.
- The EPP is subject to a 3% *fully refundable* Set-up Fee (based on the total invoice amount) payable as part of the first monthly payment.
- The 3% Set-up Fee is refundable provided all monthly payments are made by eCheck, bank draft, personal check drawn on good funds, or cash; and if all such payments are made according to the EPP schedule.
- Monthly payments can be automatically processed with an eCheck, Visa, or MasterCard.
- You may take up to four equal monthly payments to pay the balance.
- Interest is calculated at only 1% per month on the unpaid balance.
- Your EPP must be kept current or additional interest may apply.
- There is no penalty for paying off early.
- Shipment will be made when final payment is received.
- All traditional auction and sales policies still apply.

**There is no return privilege once you have confirmed your sale, and penalties can be incurred on cancelled invoices. To avoid additional fees, you must make your down payment within 14 days of the auction. All material purchased under the EPP will be physically secured by Heritage until paid in full.**

To exercise the EPP option, please notify **Eric Thomas** at **214.409.1241** or email at **EricT@HA.com** upon receipt of your invoice.

We appreciate your business and wish you good luck with your bidding.

## Heritage Auction Galleries Local Tax & International Shipping Information

### CALIFORNIA - Local tax on purchases delivered at the auction:

If you wish to pick up your lots at or after the auction, you MUST present a valid resale certificate issued to you by the state of California. If you are registered as a dealer in your home country, you may obtain this for free from The Department of Revenue, 28 Civic Center Plaza #239, Santa Ana, CA 92712, Ph# 714 558 4059 or 800 400 7115.

### NEW YORK - Local tax on purchases delivered at the auction:

If you wish to pick up your lots at or after the auction, you MUST present a valid resale certificate issued to you by the state of New York. If you are registered as a dealer in your home country, you may obtain this for free from The Department of Revenue, 55 Hansom Place, Brooklyn, NY 11217 - Ph# 718 722 2030.

This must be done before the auction, and sometimes takes months to complete. Please initiate this process early, and remember to renew your resale certificate every year. Bring your certificate or a good photocopy of it to the auction, so that we can copy the necessary numbers off of it. Heritage cannot grant exceptions to this, and we must collect [NY/CA] sales tax from you if you wish to pick up your lots at the sale without a valid resale certificate.

### Shipping:

Heritage will ship items you have won to you if you wish. The buyer is responsible for shipping expenses AND insurance on the items sold. Heritage cannot insure items sent overseas by mail or by FedEx. Heritage CAN insure items sent by Air Freight, but this usually costs between \$400 and \$600, so please calculate if the amount of your purchase justifies this expense to you.
